Anna Gunn,
age 59, formerly of Ventura, Ca., passed away on Tuesday, May 27, 2014. Anna was born June
24, 1954, to Fred and Tanny Gunn. She was the first child; trailblazing the way for her younger
siblings, John and Carol. She attended Mound Elementary School, Loma Vista Elementary
School, Anacapa Junior High School and Ventura High School. Outgoing, she was always
on-the-go and loved being with her friends. Anna got the "travel bug" in junior high school, when
travelling to Mexico with the YMCA over winter break. In high school, she lived as an exchange
student with an Austrian chocolatier and his family for a summer. Since that time, her passport
was always in date, poised and ready, so she could travel at a moment's notice. As a young girl of
five years of age, her family began the tradition of going to the Lair of the Bear (University of
California) family camp annually. Then during her summers in college, she was a Camp Gold
staffer for multiple years. After she had her family, she again returned to the Lair. She loved the
Lair and all of its traditions. (Go Bears!) Anna began her undergraduate studies at UCSB, and
then finished at UCLA, with a B.A. in Political Science. One of her favorite times in college was
attending World Campus Afloat. She travelled through Africa, India, and then Southeast Asia.
While on-board, she was selected to be part of one of the first American groups to enter China.
After she completed that trip of a lifetime, she continued both her passion for international travel
and business and obtained a M. S., in International Business, from Saint Mary's College of
California. Her first professional position was with Pleasant Hawaiian Holidays. She then
answered an ad about working abroad, and landed an expatriate position with Flexi-Van,
stationed in Singapore for nearly two years. In her free time, she again travelled throughout
Southeast Asia. She returned with Flexi-Van to a position in San Francisco. Later, she worked
for nine years for Wells Fargo Bank, with her favorite position in corporate training. In 1992, she
married and just two years later she gave birth to the joy of her life, Kevin, in 1994. Despite
being a single mother the last 10 years, she raised Kevin to be the fine young man that he is.
Anna was an exceptionally attentive and fiercely protective mother. She considered that
successfully raising Kevin to be her greatest accomplishment. In 1997, Anna was diagnosed with
late stage breast cancer. For treatment, she underwent an autologous transplant, chemo and
radiation. She did exceptionally well after a yearlong fight in fact, she did so well, everyone
thought she had beaten it completely. She returned to work when Kevin was in elementary
school. She loved her position at Springcreek Advisors, a financial consulting group, and counted
her colleagues and clients there as a second family. She joined Collins and Company in late
2011, and immediately felt as if she was a key contributor to the small firm. In summer of 2012,
she first learned her bone marrow was failing, likely due to her earlier chemo treatment for breast
cancer. After investigating her alternatives, she elected to have an allogeneic bone marrow
transplant at Stanford. Her best match was a young man, who was allergic to avocados which
meant she too would become allergic to avocados after the transplant! In January 2013, she took
a leave of absence from Collins and Company, and began the transplant process with Stanford.
She was transplanted in February, and recovered reasonably well. Unfortunately, beginning in
summer 2013, she began having additional concerning symptoms. After her health improved
somewhat in December 2013, she returned back to work for Collins and Company, the firm that had been so generous to her and her son. Sadly, this spring, her health began to decline, and was re-admitted to Stanford in early May. Her doctors again thought she was finally on the road to recovery and were planning her discharge when she passed away somewhat unexpectedly. Anna is survived by her son, Kevin Mauer. She is also survived by her sister, Carol Gunn, of Beaverton, Oregon and her niece, Charlotte, of Washington.

Bea Gunn

Lydia "Bea" Gunn, 84, of Paso Robles, passed away on January 5, 2016. She was born May 1931 in Panama City, Panama, to Basilia and Ramon Reyes of Puerto Rico. Raised during the depression in a family of eight children, Bea thrived under the instruction of caring teachers in the U.S. controlled portion of Panama known as the Canal Zone. Facing prejudicial odds based
on her Puerto Rican heritage and the family's financial status, she was able to help support her family while completing her education. In 1955, she married her husband of 60 years, Kenneth, and relocated to the United States. Bea's dream of becoming a Physical Education Teacher took a back seat to raising her four children, Terri, Lorri, Michael, and Sheila. After working as a secretary for several private employers, she finished up her career as an Executive Secretary with the California Youth Authority, an assignment which spanned nearly 25 years. To satisfy her need to be involved in the sports field, she became an institution as a softball coach starting with nearly twenty years in the Paso Robles Recreational league. Beginning in 1985, she partially fulfilled her dreams when she became a high school softball coach. She loved her "girls" and never forgot their impact on her life. She was a devoted Bearcat Booster, selling 50/50 tickets at football games for over 30 years. Upon her retirement from the Youth Authority, she volunteered at Twin Cities Hospital. Bea was a dedicated, tireless, and loving family member, friend, coach, mentor, booster, volunteer and co-worker. Bea is preceded in death by her parents; her infant son, David; her brothers: Ramon, Victor, Rafael, Tomas and sister, Dolores. She is survived by her immediate family and her sisters, Judith Van Horn and Nira Johnson, as well as six grandchildren, six great-grandchildren and numerous loving nieces and nephews. A Celebration of Life is scheduled for Sunday, January 17, 2016, at 2:00pm at the Paso Robles High School gymnasium with a reception immediately following. Bearcat attire is encouraged. Charles Robert Gunn
Asheville - Charles R. "Bob" Gunn, a resident of Givens Estates in Asheville, North Carolina,
died September 26, 2015 at the age of 88. Bob, who was a botanist with a lifelong specialty in
seed identification, was born in Columbus, Ohio, graduated from Iowa State College and was
hired by a seed company in Louisville, Kentucky, and met his future wife, Betty. Later, the
couple and their two small children moved back to Iowa where he worked his way through the
renamed Iowa State University and received a Ph.D. In 1965, he was hired by the United States Department of Agriculture to be the director of what is now known as the U.S. National Seed Herbarium. From 1965 through his retirement in 1992, he led the growth of the herbarium, which is considered the world's largest taxonomic seed collections with more than 100,000 samples, many of which he collected. While director, he gained national publicity after spotting jewelry made with poisonous seeds -- Abrus precatorius -- for sale at a major department store chain, which led to recalls and changes in federal policies. And, he and a coworker published the first paper documenting the use of a computer for automated seed identification. He also identified seeds for forensic analysis, and even contributed to the design of a postage stamp. Bob published about 150 papers and books, including a multi-volume series of seeds and fruits of 375 legume genera. In this study, he discovered a new genus of African legume. He was honored by his colleagues, who named the genus Bobgunnia. His hobby also involved seeds: collecting and writing about tropical seeds and fruits carried by ocean currents to temperate beaches. He co-wrote a book on the topic. In the early 1990s, he and his wife retired from their home in Maryland, to Brevard, N.C., and ten years ago moved to Givens Estates. He enjoyed the Sunday-evening bridge group. Bob was active in his children's lives and was proud of his children and grandchildren. He especially enjoyed family visits in recent years. He is survived by his wife of 61 years, Betty, of Givens Estates; daughter Laura Leff (Adam) of Hudson, Ohio; son Steve (Jean Harris) of Norfolk, Va., and four grandchildren: Kathryn Gunn of Evanston, Ill.; Alexander Gunn of Carrboro, N.C.; and Benjamin and Amelia Leff, both of Hudson; and cat, Catie Jane. No memorial service is planned. Memorials may be made to a Western Carolina cat rescue organization

Clyde Ray Gunn, the son of William and Caroline Gunn, was born in Knox county Missouri October 4, 1900, and died at the home of his mother in Atlanta on June 18th 1922. Clyde made a fight against great odds. He suffered for a long time. When he was a boy he united with the Baptist church of Atlanta. Clyde lived like many boys, governed in a large measure by his environment and associates. We are guided by those two forces and then live accordingly. In the bloom of youth he was cut down. He survived by his mother, one sister and two brothers who mourn his departure and other relatives and a large circle of friends. After a brief service at the home where many of the neighbors had come to express their sympathy, the remains were taken to Hopewell cemetery for interment. He is survived by his wife, DeeAnn Gunn; five children; Danielle Gunn, Jared Gunn, Tanja Dawn (Ryan) Cornelison, Shawn Keith Gunn, and Joshua Dee (Anna) Gunn. Danny has 2 grandsons and 4 granddaughters. He was predeceased by his Father; Keith William Gunn, his Aunt; Arvella Harris, his stepfather; Ivan Ray Kunz, and a sister Cyndia. Danny was mostly raised by his father, Keith William Gunn, whom he loved very much. Keith made sure Danny knew how to stand on his own two feet and work and play from dawn to dusk. Keith was quite a horseman and was able to pass some of his special secrets to Danny. Keith also taught Danny never to lose a fight, regardless of the time or place. Danny spent some of his childhood in Dingle, Idaho, where his Uncle Woody taught him more about ranching, putting up
hay, loving the land and running livestock. When he was too young to work outside, his Aunt Arvella had him pump water and do dishes for the hay crews for a dollar a day. Danny was a very intelligent, gifted individual. He was one of those special men that could do anything and everything. He could ride a horse, doctor animals, build fence, shoot any gun like no other, reload gun shells, and even write poetry. He tried his best to teach his children the things he knew. His greatest loves were ranching, guns, hunting, horses, camping up Wells Canyon, and reading.

Danny retired from the Monsanto mine located in Soda Springs, Idaho, in 2013. However, his favorite job was and always will be ranching. He often stated his happiest days were when he was cowboying. Danny served on the Bear Lake County Ambulance Service as an Advanced Emergency Medical Technician for over twenty years. He was also a medic for Monsanto. Danny was well known for his medical talents, knowledge, and abilities. His children discovered it was better and cheaper to go to him for medical and veterinary needs. Danny's family loved and respected him. They are proud of the legacy he stood for and passed to them. He, along with his knowledge and advice, are going to be greatly missed. Prior to his death, he was just a phone call away for advice and guidance. We, as a family, are already missing that phone. Friends may call at Schwab-Matthews Mortuary Sunday, May 4, from 6-8 p.m. A morning viewing will be held Monday, May 5, at the Bennington LDS Church located at 24 E Center Street from 10 to 10:45 a.m. The funeral will follow at 11:00 a.m. Interment will be at the Montpelier Cemetery.

He enlisted in the United States Air Force. Donald Franklin Gunn passed away on November 6th, 2015 at the Scotland Good Samaritan Center in Scotland, South Dakota. Don graduated from Scotland High School in 1950 and worked with his father and brothers on the farm until enlisting in the United States Air Force in 1952. He served as a ground to air radio operator and instructor from 1952 until his discharge in 1956. Upon returning to Scotland, Don once again worked on the family farm until a seriously broken arm sidelined him for over a year. Don decided to try something different and since he always enjoyed cooking for others, he bought the Scotland Café in 1957 and ran that business until 1972. He stayed active cooking for others throughout his lifetime, often catering for groups and celebrations. Don worked as a meat cutter and butcher before becoming a route driver for Meadow Gold Dairy, which took him to Columbus, Nebraska for a few years. While in Columbus, he started driving a route delivery truck for Kitty Clover Potato Chips, a position that he would hold for eighteen years. In 1992 Don retired due to health issues. Don’s driving job gave him the opportunity to transfer back to South Dakota in 1975, so he bought an acreage near Tabor where he raised sheep, pigs, horses, chickens, geese, pheasants, guineas and rabbits. After selling the “farm” in 1986, he returned to Scotland and continued to raise a few animals in his back yard. Although Don could not read music, he was a very good organist and played during the Scottie Stampede Rodeo performances for many years. He occasionally played the organ and the accordion for a few polka bands while living around Tabor. Don was a lifelong outdoorsman and enjoyed hunting and fishing. He began pheasant hunting with several hunters from Canada and Missouri in the late 1950’s that became a yearly
tradition that still happens each fall in Scotland and has involved hunters from Minnesota, Wisconsin, Michigan, Texas and Alaska, as well as Canada. He also loved deer hunting and fishing on the James River and Lake Henry. Don was one of the founders and a lifelong member of the Scotland Rodeo Club and play to organ at the performances for many years. Dorletha Gunn Jenkins
July 17, 1952 - June 30, 2013 - SOUTH BEND, In. - Miss Dorletha (Gunn) Jenkins departed this life Sunday, June 30, 2013, at home. Dorletha was born July 17, 1952, in Okolona, Mississippi, to the union of Waddell and Isabella Gunn, who both preceded her in death. Dorletha was raised by her grandparents, Ozee and Suzanna Gillespie, who also preceded her in death. Dorletha accepted Christ at an early age at Zion Spring Missionary Baptist Church. She graduated from Fannie Carter High School. On December 25, 1969, Dorletha was united in holy matrimony with George Edward Jenkins Sr. To this union four children were born. Dorletha was employed at Indian Creek apparel as a seamstress for 18 years. She relocated to South Bend, Indiana, in 1993, where she resided until the time of her death. Dorletha worked at SPX Contech until the plant closed in 2008, at which time she became a full-time caregiver for her special-needs daughter. Due to her strong faith, Dorletha joined Bethlehem Missionary Baptist Church under the leadership of the late Dr. Hardy N. Petty, where she faithfully attended and sang in the choir until no longer able to attend due to Sunday nurse coverage to watch over her daughter. Dorletha leaves to cherish one son, George Edward Jenkins Jr. (Nicole); three daughters: Teresa Johnson (Terry) of Okolona, Ms. Stephanie (Rev. Barry Spencer), Tina Jenkins; one aunt, Mattie Donaldson; all of South Bend, Indiana; five grandchildren: Dasmin Spencer, Marcus Spencer, Kirrea Johnson, Ka'mia Jenkins and George Edward Jenkins III. Dorothy Gunn
At Montague, Ma, Mrs. Dorothy Gunn, consort of Nathaniel Gunn on the 13th ult. She has left an aged husband, 10 children, and one hundred and nine grandchildren and great children.

Dorothy Bowker Gunn, 94 years old, passed away on March 3, 2015, 7 days after her husband, James Willard Gunn. A Celebration of Life & Love will be held for them at 11:00, Friday, March 6th at Swan Law Funeral Directors in Colorado Springs. Being married for 73 years, Dorothy & Jim spent most of their life together. Now, it seems only fitting to celebrate their entry into heaven in a dual ceremony. Born in Junction City, Kansas, and raised in Ponca City, Oklahoma, Dorothy was part of the "Greatest Generation." Growing up with her brothers--Jack, Freddie, Poncho and her sister, Joan, they shared many fun memories and laughed a lot. She attended Oklahoma State University for a time until she eloped to marry Jim in a $10 wedding. She never returned to school which infuriated her dad. Dorothy was a loving mother of four boys-Pete, Randy, Steve and Doug as well as two daughters-in-law-Rhonda & Sheryl. She was also proud of her 8 grandchildren and 10 great grandchildren. Dorothy was a stay-at-home mom until the boys were old enough to know better. She worked as a secretary for the Ford County Extension Office in Docket City, later moving to Hutchison, Kansas, where she worked for Wesley Towers. One day she came home from work and found a "For Sale" sign in the front yard. A subtle way, I guess, for her husband to tell her that they were retiring and moving to Colorado. That was nearly 30 years ago. They have made many friends, both young and old, and loved telling the stories of the "Greatest Generation" to all who entered their door. The word 'positive' was made for Dorothy. She never complained and did not appreciate anyone else complaining either. If you did, she would say, "What a beautiful day; let's go outside and enjoy the sunshine;" even if it was raining. A reception will follow the service at Holiday Village Mobile Home Park clubhouse.

Dorothy Taylor Gunn

Dorothy A. (Taylor) Gunn, 82, went home to be with the Lord on September 27, 2014 with her husband, Joe D. Gunn, of 63 years by her side. Dorothy was born in Houston, Texas to Pete and Selma (Boeker) Taylor. She was an athlete and tomboy in her early years and was an avid tennis player while attending San Jacinto High School. She and her doubles partner even went on to win the Girls State title for doubles in 1949-1950. That was an accomplishment of which she was very proud. What many people didn't know is that she was able to achieve that feat with limited use of her left arm after she had suffered from Infantile Paralysis when she was a toddler. While attending high school she met her sweetheart, Joe, and they were married on May 2, 1951 while he was on leave from the Korean War. They resided in Houston for many years before moving to Madisonville, Texas where they raised their own four children along with numerous others when they operated "My Youth Ranch." Dorothy was the full-time chief, cook and bottle washer while Joe continued working and commuting to Houston. She was lovingly referred to as Grandma by many of the kids long before she was old enough to even think of being a Grandmother. Besides taking care of Joe, the kids and the animals Dorothy's heart was so giving that she took on many other roles such as organizing an MDA walkathon and serving as the Madison County Democratic Chairperson. Once the kids were all grown she once again took on the title role when they owned and operated a Dry Cleaners and Laundromat in Madisonville before Joe's work took him to Austin, TX. While residing in Austin Dorothy worked as a real estate agent before she later went to work for the State of Texas. She was employed by the Texas General Land Office and then eventually moved to the Texas Comptrollers office where she finally retired to enjoy taking care of her family full-time once again. She and Joe moved to Creedmoor, Texas after Joe's retirement where she enjoyed living the country life, taking care of her Mother, spending time with her family and volunteering for the Buda United Methodist Church Food Pantry for a number of years. In her true fashion, when she was diagnosed with breast cancer she faced her illness head on and with no hesitation had a full mastectomy so she could be cancer free. She was very proud of being a breast cancer survivor. The most important things to Dorothy were her faith, family, friends and doing anything she could to help anyone. She had a smile that could warm anyone's heart as it did many times for the years we were blessed to have her with us. She
was the best cheerleader for her husband, her children, her grandchildren or anyone else whom she felt needed love, support and encouragement. Her love, kindness and caring will be missed by so many. Dorothy is survived by her husband Joe; sons Jay and wife Corie of Buda, Tx. and David and wife Ruth of Kyle, Tx.; "almost" sons Michael (Bones) Kronwinkler of Manvel, Tx. and David Straughan and wife Cynthia of Cypress Tx; daughter, Belinda (Happy) Rogers and husband Will of Creedmoor, Tx; grandchildren, Chelsea Gunn Welch and husband Gerald, Joe Taylor Gunn, Mackenzie Gunn and Amber Gunn; "almost grandchildren" Jason Straughan and wife Chrystina, Kimberly Straughan, Mike Kronwinkler and Mitchell Kronwinkler; and great grandchildren, Cannon and Leah Welch. She is also survived by many other family members and life-long friends. She was preceded in death by her parents; brother, Everett A. Taylor; son, Don Gunn and "almost" sons, Jim Kronwinkler and Danny Lewis. Visitation Tuesday, September 30, 2014 6:00-8:00 p.m. at Harrell Funeral Home, 1715 Kirby, Kyle, TX. Reception prior to funeral, Wednesday, October 1, 2014 11:00 a.m. with Funeral at 1:00 p.m. at Buda United Methodist Church, 302 Elm Street, Buda, TX. Interment will follow at the Texas State Cemetery in Austin. In lieu of flowers memorial donations may be made to: Buda United Methodist Church Food Pantry, P.O. Box 1196, Buda, TX 78610.

Indians were plentiful, crops were not always good and the real trials of Pioneer life confronted these young folks constantly. Two children were born to this union, William G. Elizabeth (Libby) Gunn,
passed away peacefully in her sleep at home on June 29, 2011, at the age of 90. Elizabeth was born in Little Rock, Arkansas, on May 11, 1921 to Longus Veron Hinson Sr. and Nettia Catherine Elkins Hinson. She was one of fourteen brothers and sisters. Libby grew up on the family farm in the home that her father built for them. She always had interesting and fun stories of her experiences with her brothers and sisters while living there. Libby attended schools in the Little Rock area until she had to go to work to help support the family. Libby was a natural seamstress and often made and repaired clothes for her brothers and sisters. As a young lady, her talents as a seamstress caught the eye of a business woman in Little Rock and Libby was asked if she would like a job. The job was working for Jumps Cleaners in downtown Little Rock. While
working there she learned from Mrs. Jump how to make alterations on everything from furs to soldierís uniforms. One day, a young soldier named Marian brought his laundry in and Libby caught his eye. Marian and Libby were married on July 19, 1942. Marian and Libby lived in various locations until the end of World War II. After Marian was discharged from the Army, he and Libby headed westward. Along the way, Libby worked for Beech Aircraft in Wichita, Kansas. While there, she traded her fountain pens in for diaper pins as she and Marian adopted a little baby girl named Nita. Next, Marian and Libby adopted a baby boy named Chris and continued westward finally settling in Washington State where they lived in the towns of Pasco, Olympia, Yakima and finally Zillah. While living in Pasco, Chris was diagnosed with Burkittís Lymphoma and at the age of six lost his battle with leukemia. In 1965, Marian and Libby settled in Zillah and in 1969 they adopted Ned. Libby was a devoted wife, mother, grandmother, homemaker and friend. More importantly, Libby was a devoted Christian. To her, Christianity was not a ìreligionî but a ìrelationship with Jesus Christ.î She loved the Lord and served Him with all that she had. Throughout the years, she was a devoted Sunday School teacher of all ages, especially youth and young adults. At Christmas, she would still receive cards from past students that were in her classes 50 + years earlier! Some people will be in Heaven because of Libbyís willingness to share about the love of Christ. At the time of her death, Libby was a member of Zillah First Baptist Church in Zillah, Washington. Libby is survived by her son, Ned Gunn of Zillah, Washington; her daughter, Nita Young of Union Gap, Washington; three grandchildren, Chad, Nicholas and April Choate of Yakima, Washington; five great grandchildren; one brother, Thomas Hinson of Rogers, Arkansas; three sisters, Hilda Haney of Burlington, Kentucky; Louise Ritter of Pomona, California; Nettia Hale of El Dorado, Arkansas. Evelyn Dodd Gunn  
Our loving mother and “Mimi”, Evelyn Dodd Gunn, entered into the presence of her heavenly Father on Thursday evening, August 21, 2014. A celebration of Evelyn’s life will be held at 2 p.m., Saturday, August 23 in the chapel of Cottle Funeral Home in Troup with the Rev. Clint Covington officiating. Interment will follow at Pinecrest Cemetery in Troup under the direction of Cottle Funeral Home. Following the services, friends and family are invited to gather for a reception to recount the many wonderful memories that Mimi left behind for all to cherish. Evelyn was born to A.M. (Minyard) Dodd Sr. and Ruby Cowles Dodd on November 2, 1918 in Gandy, Louisiana. She was born in the midst of a severe flu epidemic, but she survived that initial scare to live almost 96 years. Her father was the clerk for a large sawmill company, which provided the family not only with sufficient income but also with somewhat of an adventurous lifestyle. Once the timber resources had been depleted in the town of the family’s residence, the Dodds would pack up and move to another location. Because of this, the family relocated approximately every two or three years. Whether it was in Texas, Louisiana or Mississippi, the Dodd house was always filled with love and Evelyn always embraced the new adventures and made many new friends wherever she resided. In 1935 Evelyn married the love of her life, James Hardy Gunn, in Avinger, Texas. Evelyn and Hardy moved to Troup in 1938 when Hardy accepted the position of principal at Troup Elementary School. After several years, Hardy and
Evelyn purchased the Sinclair service station in Troup where they not only cared for the automotive needs of the town’s citizens, but also became great friends with all who stopped by for service or just to visit. They loved Troup and Troup loved them! Troup quickly became “home” to Hardy and Evelyn. Here, they lovingly raised their three children – Jimmy, Anthony and Rebecca. Evelyn was always involved in the lives of her children and enjoyed every moment that she spent with them. Not only was she a devoted wife and mother, but she was also a devoted Christian. Evelyn’s faith in Jesus Christ was reflected in the life that she led. She was a member of the First Baptist Church in Troup where she taught children’s Sunday school classes for several years. One of her fondest memories was of a trip that she took to Glorietta, New Mexico where she spent a week at the Baptist Youth Encampment with several young girls from her church. Mimi was definitely one-of-a-kind, a rare gem who loved her Savior and loved life. Her ability to tell stories and make others laugh was incomparable. She was beautiful inside and out. Her smile is perhaps one of the features that will be remembered most vividly by her loved ones. It was a smile that prompted Hardy to tell her on numerous occasions, “Come on Honey, show them that million dollar smile!” After Hardy died in 1980, Evelyn continued to live in Troup and played an active role in the lives of her children and grandchildren. She insisted on living independently in her home and did so until the last week of her life, thanks in large part to her friend and caregiver Debbie Alonzo. Evelyn is preceded in death by her parents, her husband, her son Jimmy Gunn, her infant son Bobby Eugene Gunn, her brother Col. A.M. Dodd, Jr., her sisters Carolyn Ezell, Maurine Jackson and Johnnie Harris, her sister-in-law Jane Dodd, and her brothers-in-law Elzie Ezell and Ray Jackson. She is survived by her daughter Becky Covington and husband John of Grand Prairie, son Anthony Gunn and wife Ginny of Dickinson, and daughter-in-law Karlene Gunn of Kilgore. She is also survived by eight grandchildren and 17 great-grandchildren. Pallbearers will be Gregory Gunn, Allen McNickle, Jason Gunn, Casey Covington, Colin Shadwell, and David Persinger. The family would like to request that memorials, if desired, be sent to the charity of your choice.

Floyd S. "Ben" Gunn, 80, longtime resident of Fort Worth, passed away peacefully Monday, March 31, 2014, surrounded by his family and friends. Memorial service: 11 a.m. Friday at Broadway Baptist Church, the Rev. Brent Beasley and Dr. Jorene Swift officiating. Memorials: In lieu of flowers, Ben's family requests that donations be made to Broadway Baptist Church, 305 W. Broadway Ave., Fort Worth, Texas 76104; The James L. West Center, 1111 Summit Ave., Fort Worth, Texas 76102; or Cook Children's Medical Center, 801 Seventh Ave., Fort Worth, Texas 76104. Ben was born June 21, 1933, in Longview to Ruth and Willis Gunn. He was the youngest of three children. Ben acquired his preferred nickname (based on the "Treasure Island" character) at the Masonic Home of Fort Worth, where he went to live as a young boy following the untimely death of his father. Ben often spoke with pride about his life at the Masonic Home, often lovingly referring to himself and fellow attendees as "orphans," or "orphs," for short. Ben played football on the well-known Masonic Home "Mighty Mites" football team. Upon leaving the Masonic Home, Ben enrolled at TCU and began his lifelong career in banking as an evening bookkeeper at Continental National Bank. Ben met his longtime friend and future business partner, Jim Murray, at this time. After a short stint in the Army toward the end of the Korean War, Ben returned to Continental Bank and rose through the management ranks to the position of senior vice president. Along with Jim Murray and a group of investors, Ben formed Summit National Bank, which opened for business in 1975. The bank grew into a multi-bank holding company that eventually became Summit Bancshares. Through shrewd business practices, Ben and his fellow executive management team led the Summit Bank organization through the 1980s' banking crisis, the worst to hit the Texas banking system since the Great Depression. Summit Bancshares exited this tumultuous period intact and continued to flourish in the years after Ben's retirement in 1997. He remained an active board member of Summit Bancshares until its sale to Frost Bank in 2006. Always a banker and a believer in personal business relationships, Ben retained an office at the bank where he continued to enjoy occasional visits from former customers and business associates. Ben was known for his sense of humor and a love of practical jokes. One year, readers of the Star-Telegram noted with humor a particularly paltry donation made by Ben in the name of a good friend to the Goodfellow Fund, "in lieu of Christmas cards." Always a connoisseur of fine dining in the seemingly unlikeliest of places, Ben and a group of business associates were known to eschew formal business lunches, preferring instead to visit out-of-the-way "greasy spoon" restaurants. Even though he was fond of such off-beat dining, Ben pursued a rigorous physical fitness regimen in his later years. He was well known at All Saints
Hospital’s Carter Rehabilitation Center for his visits several times a week to vigorously pursue his cardiovascular workout goals. In his spare time, Ben was an avid crossworder, preferring to solve the New York Times crossword puzzle in ink. He and his wife loved to travel, and they enjoyed multiple European trips. Ben had a generous spirit, thrived on human connection and built a beloved network of friends. Throughout his career, he enjoyed philanthropic efforts including serving United Way, TCU, Broadway Baptist Church and Baylor All Saints Hospital. Survivors: His wife of 56 years, Johnnie Bean Gunn; sons, Tim and David; daughter-in-law, Kelly Soter-Gunn; grandchildren, Helen and Benjamin Gunn; and several nieces and nephews. Published in Star-Telegram from Apr. 2 to Apr. 4, 2014 (Jacob and Sarah Gunn desc - of Scotland desc)

Gail Weaver Gunn
September 19, 1946 - October 17, 2015 - n these past few days our family and friends have been renewing and strengthening the bonds of life together as we remember, grieve and honor our loved one, Grandma Gail. Our Mom, Sister and Grandma Gail who cherished and unconditionally loved us for so many years became the angel in heaven as she was on earth. We would like to give this journey of cherished memories in recognition of what she has meant to so many people. She didn't like long goodbyes and would be the first to hold you, love you, and never judge you. We, too, know she wasn't perfect but she was special to us and we wanted to let you know a little of the woman you may not have known. To her children she was called 'Mom' for many years, and to so many others she was called friend. As the grandchildren came along this changed to 'Grandma Gail', and to her extended grandchildren she was 'Aunt Grandma Gail.' She obsessed with being a grandma insisting her first born had a child before she was 40. After all, she always wanted to be a young Grandma who could run, jump, play, swim and roll in the grass with them all. One of her most treasured games was playing abracadabra, poof you're a princess with her Great-Granddaughter. She was the Mom and Grandma who would be the quarterback, pitcher, catcher and surf mom, give you medical and love advice, and give you the shirt off her back. In her last days, she cherished the birthday of her second born where she spent her time pushing her granddaughter in the pool, playing pool soccer with another, and simply enjoying all the rest. This was who she was, the loving grandma of 17 grandchildren and 2 great grandchildren. The forever loved and never forgotten mother of
4, Carrie, Kellie, Hollie and Arthur; and mom again to so many more. The oldest of seven, Susie, Wendy, Kurtz, Chuckie, Jean and Jeff, who she cared for not only as a sister, but a mother too. Grandma Gail would never want you to mourn for her, she would want you to throw a party on the beach and cherish the memories she created through-out her life. Remember her with every beautiful sunset and know that she will always be watching over you. Gone but truly never forgotten. Lake Worth, Florida

George F. Gunn
St. Louis, Mo - Senior U.S. District Judge George F. Gunn Jr., whose gentlemanly demeanor and courtly manner were hallmarks on the federal bench in St. Louis for more than a decade, has died of complications from cancer. Surrounded by his family, Judge Gunn died Wednesday night (May 20, 1998), at Barnes-Jewish Hospital. He was 70 and had been hospitalized for two weeks. "He went peacefully, with his family encircling his bed," said his son-in-law, J. Bennett Clark. Judge Gunn, distinguished by his snowy hair, had a ready smile for workers at the Federal Courthouse downtown. "He was, without a doubt, one of the finest gentlemen I have ever had the pleasure to know," said Patti Leonard, a courthouse secretary. President Ronald Reagan appointed Judge Gunn to the federal bench in 1985. By then, Judge Gunn already had been a state court judge for a dozen years. In 1973, Gov. Christopher "Kit" Bond appointed Judge Gunn to the Missouri Court of Appeals in St. Louis, where he served for nine years. Judge Gunn spent three years as a member of the Missouri Supreme Court before Reagan tapped him
for the lifetime job as a federal district judge. As a trial judge, Judge Gunn presided over the longest criminal trial in U.S. District Court here. After a trial of nearly eight months, a jury in 1993 found members of the Moorish Science Temple guilty in a drug and murder conspiracy. Security was so tight that federal agents guarded Judge Gunn and prosecutors around the clock. 

One of the prosecutors, Assistant U.S. Attorney Michael Fagan, said Judge Gunn never lost his cool. "He was as patient and pleasant as any judge could be," Fagan said. "We could use a few more like him." In 1991, Judge Gunn took over the St. Louis school desegregation case. He was the fourth judge to oversee the case, filed in 1972. Lawrence Roos, picked by Judge Gunn as an adviser in the vocational education aspect of the desegregation case, called the judge "a unique individual." "He was a remarkable combination of a soft-spoken individual, always considerate of others, and yet he had a passionate and strong dedication to the fundamental principles upon which our justice system is based," said Roos. As St. Louis County executive, Roos named Judge Gunn as county counselor in 1971. Senior U.S. District Judge Edward L. Filippine said Judge Gunn "had an outstanding legal mind as well as a wonderful judicial temperament."

"George was a great family man and had a genuine compassion for people," Filippine added. "To know him was to love and respect him. He will be missed and not forgotten." Judge Gunn was born Oct. 29, 1927, in Fort Smith, Ark. His father was an oil company executive. The family moved to Illinois, then to St. Louis, where Judge Gunn graduated from Clayton High School. He served as a Navy seaman near the end and just after World War II. He earned his undergraduate degree at Westminster College in Fulton, Mo., and his law degree in 1955 from Washington University. In 1992, Washington U. gave him the law school's Distinguished Alumni Award. Judge Gunn began his career with the law firm of Rebman, LaTourette & Gunn. He also served as Brentwood city attorney and worked as a lawyer for the Wabash Railroad and the Terminal Railroad Association. Away from work, Judge Gunn studied the Civil War. He had been president of the Civil War Roundtable of St. Louis. He also was steeped in baseball history, particularly that of the old St. Louis Browns.

Geoffrey McNicol Gunn
Journal Inquirer (Manchester, CT) - Wednesday, December 4, 2013 - passed away at Hartford Hospital on Saturday, Nov. 30, 2013. He was born on Jan. 9, 1968, in Hartford Hospital to Jane and David Gunn of Manchester and lived in West Suffield for most of his life. Educated in Suffield public schools, Geoffrey then graduated from The New Hampton School (New Hampshire), attended Embry Riddle University, and earned an associate's degree from The Porter and Chester Institute. For the past 21 years, Geoffrey was an employee of Hartford Hospital as a communications specialist in the Life Star Program. Geoffrey, predeceased by his mother Jane, is survived by his father David, and his wife, Barbara; his daughter, Brigette, and her mother, Donna Chisnall; by his fiancé, Dani Hale, and her daughters, Emma and Bailey; and by his brother Peter and his wife, Robin, and nephews Couper and William. He is also survived by his extended family in Massachusetts, his aunt Joyce, cousin Kurt and his family; and in Ohio, by his aunt Janice, cousins Pamela, Cheryl, and Kathy and their families. Geoffrey was a dedicated and loving father to Brigette and a committed and loving companion to Dani; together they were the center of his world and he theirs. There is no way to count their loss. He was also a great friend to his brother, a true son to his father and mother, a loving family member, and a genuine friend to many. In his youth, his passion was ice hockey, and he was proud of his achievements there, and it brought him many long-term friends. At the same time, many of his summers were dedicated to waterskiing with his family and later watching proudly as the next generation carried on the sport. He took great pride in the many accomplishments of his daughter; especially in music as she continues the family tradition. He loved working with his hands; be it cooking, where he especially enjoyed carrying on with family recipes or working on houses or on his cars. From the very beginning, Geoff faced challenges in his path through life. He met them all and while doing so, developed into a warm, caring person who touched all who knew him. His passing leaves a terrible void in the lives of his family, his fiancé, his friends, and the many others who knew him. His family will receive friends Friday, Dec. 6, 2013, from 5:30 to 7:30 p.m. at Nicholson & Carmon Funeral Home, 443 East St. North (Route 159), Suffield. George H. Gunn,
87, who served with the 143d Aero Service during World War I, died Monday at his home in Broomall. He was a former resident of the Stonehurst Hills section of Upper Darby. An engineering graduate of the Drexel Institute of Technology, he was among the first to volunteer for service in the Army's air division when a training base was opened in 1917 at Essington on the banks of the Delaware River. The Essington Air Service Group was formed on the spot. Its assignment was to train pilots for combat. In time, as the number of planes and pilots grew, the group was reorganized into the 45th and the 143d Aero Squadrons. The 350 men involved in the group and its squadrons were soon transferred to an expanded facility at Lake Charles, La. Some took their underpowered biplanes to war. Others simply bit their fingernails and continued to train would-be pilots, Mr. Gunn recalled. Born in Scotland and reared in this country, he was a regular at the annual reunions of the Essington Air Service Group. A small man with glasses that regularly threatened to slide down his hawk-like nose, he calculated last year that he had missed only "one or two" since the first reunion was held in 1919. He was able to attend the most recent reunion, held in June. He was the oldest of the dozen members who made it. After the war, Mr. Gunn had worked at his profession, eventually joining the DuPont Co. as a design engineer. He retired in 1961. He was a Mason and a member of the United Methodist Church. Surviving are his daughters, Jean Dunn and Helen Irwin; two grandsons, and two sisters. Friends may call after 10 a.m. Saturday at the Videon Funeral Home, Garrett Road and Shadeland Avenue, Drexel Hill, were services will follow at 11:30 a.m. Burial will be in Valley Forge Gardens. Harold Gunn

Boonville, Ind. - The City of Boonville and Warrick County lost a legend and an icon when
Harold Gunn, 75, went to be with his mother and father on Monday, January 27, 2014, at Transcendent Healthcare in Boonville. Harold often took care of several businesses on the square in his younger days. He is probably best remembered for blowing the noon whistle at the Boonville Fire Department until that practice was stopped a few years ago. One of his favorite pastimes was sitting in the security office in the Judicial Center and making sure everyone obeyed the rules. If not, he was sure to write you up in his little black book. His favorite greeting to one and all was always "ain't we buddies." Harold is survived by his half-sister, Ruth Weathers of Winslow, his brother Charles (Charlotte) of Boonville; nieces, Stacy Tevault (Kirk) of Lynnville, Shirley Schum and Roseann; nephews Gregory Gunn of California, Kenny, Danny and Terry Strobel; great niece Ashleigh Hess (Justin) of Lynnville, great nephews, Kyle Tevault and Seth Gunn of Lynnville; and a great great niece Talia Hess of Lynnville; and of course, the whole City of Boonville and Warrick County. After college and during the Korean War, Jack enlisted in the Army and served in the 82nd Airborne, attaining the rank of 1st Lieutenant. He stayed in the Army Reserves for many years, first in Charlotte and then in Raleigh, NC. Jack is survived by his wife of 40 years, Bonnie, and his children whom he adored: son, Steve Gunn and wife Sharon, daughter, Sharon Neece and husband Robert, and son Bryant Tant and wife Valerie. His grandchildren, Lara Neece and husband Brian Young, Bennett Neece, Tyler Gunn, Stewart Gunn and Corbett Tant, were his greatest gift, and he believed they were the smartest and best ever. Jack was inducted into the Frozen Food Hall of Fame in 2006 for his lifetime contributions, one of the highest honors bestowed in the Frozen Food Industry. He felt so blessed to have such incredible employees and colleagues work with him throughout the years. Jack was proud when he, along with his partners, Jim Cresimore, Arlie Beal, and Bob McQuay, purchased the old Mary Elizabeth Hospital in Raleigh and renovated the building, which became the main office of the United Way. In addition to his teaching, acting and directing. Jim made his place in the Bay Area comedy scene, where he was often referred to as "the legendary" Jimmy Gunn. He coached and mentored many young comics over the 20 years he performed comedy, despite his many "retirements." Comedians will remember him as a kind and respectful person who gave of his time willingly to help and support others. As a lover of film, Jim took great joy in being part of the screening committee for the San Francisco Film Festival throughout the last several decades. Jim is survived by his wife, Myra Lessner of Palo Alto; his parents, Jack and Sue Gunn; his sisters, Mari Kauffmann and Connie Douglas; and his godchildren, Alex and Daniel Klein. Jessie Mea Gunn
Our wonderful little Mother, Jessie Mae Gunn, died September 20, 2015 Sunday mourning after a very peaceful day with her arms folded across her chest in prayer. Occasionally she would open her eyes very widely and I know she was seeing something marvelous. She was born in Syracuse, KS, March 7, 1916 and has survived all her immediate family at 99 ½. Those of us who are left to miss her are Joel Gunn and Belinda of Graham, NC, Sylvia Marie and her three “Texas” girls; Emrys, Mauve and Sloane, and Riley Gunn and Stellina and their “Aussie” Grace and Ari; Janet Gunn and Rex Winters of Wheat Ridge, CO; Raymond Gunn (greeted Mom in her passing) and Cindy of St Joe, KS, Levi and Amber and Ilsa Grace in Golden, CO; and Sylvia Gunn Mierau and Tim of Monroe, WA, Isaac Mierau, Eri and Mizuki of Bothell, WA and Elena Gunn Mierau and Bo Yount of Spokane, WA. Mom loved music her whole life. Her mother, Ida May Singer, bought her a piano when she was 5 years old and she practiced on that same piano well in to her 80’s and 90’s. Her love of music included her participation in the Lawrence Music Club where she was an active member and where she also performed. She lived most of her life in Syracuse with a few side trips with our Father, Joel Riley Gunn, during World War II and following his seismograph crew. As a single mother, she raised four kids in the 1950’s; first working two jobs at Penny’s and the hospital and then being elected as County Clerk for 12 years. She attended Goodland Technical School and studied computers. She loved her email. For several years she worked in Garden City, KS at Fansler Tires and then moved near Wichita to spend two years helping our brother, Raymond Gunn, who left us in 2010, with his business. Her brother, Kermit Singer, asked her to come back to Syracuse to help with the farming and she retired in Syracuse to spend the next 30 years. In 2007, she agreed to move to Denver to live with Janet and Rex who allowed for her fierce independence and yet she was willing to ask for help where she needed it and graciously accepted it. She did all her own cooking, bathing, washed and cut her own hair and was mental backup for Janet until the last few months. We can tell you story after story of her love and devotion to us and our upbringing in a loving, caring,
nurturing family. She loved to cook for us and there was always fried chicken and an angel food cake when we came home. We thank you Mom, for all our onederful lives. You have always been a grounding rock and inspiration to all of us. To all her friends, I can tell you that she loved you all dearly and spoke of each of you often. She had so much fun on the “big bus” trips with Ann and the Community Concerts. We were so bless to have Omar take over the farm and his visits. When we came to Syracuse, the visits from Becky, Inez, Sammy and the Niles family were priceless. Much gratitude to David Stimatze and Marlene and Lynn Ashmore for taking care of the place all these years and all of you who have watched over it. Also to Don Post for all your help as we weekend warriored! In Denver, Janet’s Bunco group took Mom in with such love and caring. It was the highlight of her month plus Mile Hi Church once a week. I’m so sorry, if in my stupor, I have left anyone out, but you know who you are;-) All of you, young and old, were precious to her and are to us.

Jo Ann Gunn
Jo Ann was born July 21, 1940 in Freer, TX to Edna & Emil Hackbarth, just before her dad went to Germany during his tour of World War II. 8 years later Edna & Emil gave birth to Jo Ann's sister Arlene. They both suffered the loss of their father only 2 years later after he contracted a rare skin disease from Auschwitz concentration camp. Jo Ann and her sister often remembered how hard it was growing up as a German descendent after the war and both struggled in school being poor and unable to speak good English. They would often tell stories of living in Gruene, Tx when living in Gruene wasn't cool. When Jo Ann was a teenager, she would start the dance off every Saturday night at Gruene Hall. Her mother would often tell Jo Ann to take her little sister a long and while Jo Ann would catch the eye of a few young fly boys out of Randolph Air Force Base Arlene would nap under a table. In 1956 Jo Ann married Danny Eugene Farrow, out of Randolph Air Force Base, and they quickly left home for England where they would continue their life there for a total of 6 yrs before returning home. Jo Ann would there work for the NCO as a waitress. During Danny's second tour of duty in England they were very eager to adopt a baby boy born January 29th, 1967 in Ipswich. Six months passed quickly and Ronald Eugene Farrow left England with his new parents for his new home in Texas. The family would finally make New Braunfels their home. The small community of Barbarossa would become alive again when Jo Ann & Danny opened up a local beer joint called the Barbarossa Trough with the help of her sister and husband. Several years would pass as they became active in the small farming community. In December 1984 Jo Ann & Arlene lost their mother to cancer. A short time later Jo Ann would be diagnosed with breast cancer. In 1985 Jo Ann divorced Danny and her life would be changed forever after suffering the tragic loss of her son in a car crash the same year. An event that Jo Ann would never recover from. After experiencing several losses & sadness Jo Ann would find her anchor and future husband when her sister introduced her to Larry Phil Gunn at a local dance hall in town. They dated as he nurtured her and they fell in love to be wed later that year in 1985. They have been inseparable ever since as they would continue to love each other, trust each other and cherish each other as they grew old together. They lived in New Braunfels most of their lives together but there were brief times spent in Salado, Tx, Harker Heights, Tx & San Angelo, Tx. They sold the "Barbarossa Trough" business, and went into the "Texas Postal" mailing service in New Braunfels for twelve years. Afterwards Larry would become a truck driver for a couple of national companies and as Jo Ann as his "co-pilot" the two would travel across the United States.

The two eventually retired and during the next several years as Jo Ann's health declined Larry never left her side. She battled Bone Cancer & Leukemia and fought courageously till the end. Larry was her prince and she refused to leave him. He was by her side at Sundance Nursing Facility as she took her last breaths. From her sister... I truly believe she gave her life to Christ April 19, 2015. She always believed in God, but never knew how to ask him into her life. My Sister & I prayed together and we both ask Jesus Christ to be her Lord & Savior. It was a cryful event for both of us, and I am so glad I was part of it. My sister was very quiet, usually. But get her started on politics and family values, she would raise quite an opinion. To read was my
sisters favorite pass time. Her favorite Hobby was to read the paper front to back. Because of that she became a current event intellectual. If you needed to know something about the news, you ask my sister. She has quite the library of books containing espionage, CIA, love, travel and crime type thrillers with a strong female lead. She loved to tell stories of other countries and places she had traveled, including Alaska & England, lived and read about. Her and Larry loved feeding the birds with their birdhouses and watching them from the kitchen windows. Jo Ann always had a furry companion. She loved cats especially. We will miss her constant hospitality and good cooking. JoAnn loved entertaining family & friends. There was always room for one more at the table no matter when. She always entered a room with elegant grace regardless of how bad her health had taken a toll on her life and she never left the house without her make-up and earrings on. JoAnn was our in house green thumb Goo Roo. She loved plants and gardening. When she was in good health she spent hours of daylight working in the yard tending to her flowers abound and she use to help her Mom raising a 1/2 acre garden and canning vegetables. She is proceeded in death by her son, Ronald Eugene Farrow; her mother, Edna L. Hackbarth Zimmerman; her step father, Henry P. Zimmerman; her father, Emil O. Hackbarth. She leaves her husband of 29 years Larry P. Gunn; her sister Arlene Cantu & brother in law Jose E Cantu Jr; her Goddaughter & niece Deborah Lynn Lehmann; her great niece, Amber Lynn Lehmann and great nephew, Andrew Eugene Lehmann. In San Angelo, Tx she leaves a loving niece, Margo DeloSantos and a nephew and wife Tommy & Debbie Love. As well as an array of family & friends in different corners of the globe. A visitation will be held for Jo Ann Gunn on Thursday, April 30, 2015 from 5:00pm-9:00pm at Zoeller Funeral Home. Funeral Services will be on Friday, May 1, 2015 at 10:00am at Zoeller Funeral Home with the interment to follow at Guadalupe Valley Memorial Park.

Josh was born in Saint John, NB June 3, 1999, loving son of David and Karen (Porter) Gunn and precious grandson of John and Lynn Gunn and George Porter and the late Faith Porter. Josh was not only full of life, but also brought life to others. He was a wish child for the Children’s Wish Foundation raising funds for other children in need and most recently, a charity event called “Jogging for Josh” this past June, where $10,000 was raised for a scholarship in his name. He was Tyler’s biggest fan and whatever team he was on, most recently with the Saint John Major Midget Vito’s. Josh was a loyal follower of the Mauraders in the Saint John Slo-Pitch League and became an honorary member, proudly wearing #87. Josh the spit-fire, with the sparkly eyes and infectious personality will be lovingly remembered and never forgotten. Rest peacefully dear Joshy. Kevin Eldred Gunn

Beloved Brother, Fun-loving Uncle, Friend and "Our Hero" HOYTSVILLE, Utah - On June 30, 2013, after a courageous battle with Cancer, Kevin E. Gunn was called to his home in heaven to be greeted by his Heavenly Father and loved ones. Kevin left this earthly life surrounded by family. Kevin E. Gunn was born on February 17, 1958, in East Chicago, Indiana, to his parents, H. LaMarr and Winona Gunn. Kevin had many experiences throughout his life for service and sharing his talents. Kevin loved life and the challenges and joys that it brought to him. He cared about and loved others and love was given in return. Kevin dedicated his time, energy and effort to making others happy, not thinking of himself. He loved watching and participating in sports, such as basketball in high school, church basketball and umpiring softball games for the city of Coalville. As the umpire, he gained respect from his peers and others, as Kevin was stalwart in his decisions of the game. He
enjoyed the excitement of the game and the people involved. The outdoors was another enjoyment where Kevin would bask in God's creations on the mountains hunting or relaxing. He loved life and what it meant for him. He loved working with his hands with leather, woodworking and technology. He shared his talent with others. Kevin worked at many different jobs. Some of those jobs included construction, sheetrock worker, retail, computer operator and Smith's department manager. He was respected and admired by many. He liked these times for sharing, playing or just goofing off. Kevin gave of himself freely to make others happy and expected nothing in return. This experience started in 1976, when he graduated from high school and his Grandmother Gunn asked him to come to Utah from California and live with her, due to the recent passing of Grandfather Gunn. He made many sacrifices for others but still was able to enjoy life and make vacation trips to California and other sites. He was preceded in death by his parents; older brother, Christian H. Gunn (Covina, Calif.); his brothers Theras Gunn and his wife, Carol (Lehi, Utah), Craig Gunn and his wife, Audrie (Pocatello, Idaho), and Trent Gunn and his wife, Yvette (Brigham City, Utah); loving sister Marlys Stevens (Hoytsville, Utah); and sister-in-law Barbara Gunn (Covina, Calif.). Lillie Emma Gunn
passed away at the age of 88 on November 12, 2015 at her home in Willits with her daughter, Cindy, by her side. Born in Las Vegas, New Mexico to Jasper and Dolly Gipson on August 31, 1927, she was a resident of our community of Willits, Ca most recently for about 11 years. Lillie’s father had many restaurants, one of which was here in Willits about 6 miles north of town, called Jack’s Lone Pine. He was known for his fried pies and chili. Lillie learned how to waitress at an early age under her father’s tutelage. The family moved to Pleasanton where Lillie met Matthew ‘Red’ Gunn and they were married at the First Baptist Church on Wood Street here in Willits that her father had helped to build. Red and Lillie moved back to Pleasanton and started their family together with their first daughter Elizabeth, and when their youngest daughter, born 10 years later, started school, Lillie began her 45-year career as a School Crossing Guard. This job was her pride and joy, as she worked at Pleasanton Elementary and Valley View Schools. She loved the children that she kept safe through multiple generations, and they loved her. Lillie shared her passion for safe-guarding school children with her family and three generations have followed in her footsteps. Lillie also worked the annual fair in Pleasanton for 27 years. Lillie loved to paint flowers and to plant and nurture them also. Lillie loved nurturing all living things, from her family, to her plants, to her birds, and her sweet companion, her beautiful auburn-haired dog, ‘Pretty Baby’ that she was often seen walking our community with. Many folks in her neighborhood simply knew her as the sweet gray-haired lady that loved to walk her dog. Lillie also enjoyed crocheting and knitting, and gifting little kitchen towels with a buttoned hanger for the kitchen. She was a member of our local Red Hats and thoroughly enjoyed the ladies, their get-togethers for lunch and other activities, and especially enjoyed their trips together. Another group Lillie enjoyed was her “game day” friends that met weekly at one another’s homes for an afternoon of games and snacks. She looked forward to these weekly fun days. Lillie
enjoyed life and people and for this reason was a joyful volunteer at our Willits Senior Center for many, many years until her health made it impossible to continue, and had also volunteered at the Willits Food Bank for years.

Lillie was preceded in death by her husband, Matthew ‘Red’ Gunn; her daughter, Elizabeth Wilhite; and her sister, Lucille Dunn. She is survived by her daughter, Cynthia Goines; grandchildren: Daniel Wilhite, Matthew Goines, and Gevene ‘Angel’ Duncan; great-grandchildren: Amanda Duncan, Hailli and Kristin Wilhite, and Samantha and Grace Goines; and several beloved great-great grandchildren. Funeral services will be held at 10 a.m. Saturday, November 21, 2015 at the Anker-Lucier Mortuary Chapel, followed by a brief graveside at the Willits Cemetery, after which a Celebration of her life will be shared at the Grace Community Church in Willits. Lillie managed and worked in several cafes in the area and worked for a few years at Maremont in Chickasha. Lillie enjoyed raising dogs, embroidery, quilting, canning, reading, and most of all, taking care of her flowers and plants. Everyone knew that if you killed your plant, you could take it to Lillie and she would bring it back to life. Ray and Lillie were big wrestling fans. Everyone tried to not sit too close to Lillie during wrestling because in her excitement, she might have taken you down. She blessed her husband and six children with patience and unconditional love for the rest of her life. Margaret was a giver who was always more concerned about her family and friends than she was about herself. She displayed that caring on Dec. 23, 1996, when she went from her husband's funeral in the afternoon, to a department store at night, so she could finish her Christmas shopping and make sure everyone had a gift under the tree from Mom. Margaret also shared her kindness with animals, particularly her cats. She treated her four-legged friends with the same respect she showed people. Besides her two beloved house cats, she provided a home in her garage to strays who found their way to her doorstep. They started out wild, but by the time they got a dose of Margaret's tender care, they were tame, fat and lovable. A kitten that was born to one of her "garage cats" became terribly ill one day, and Margaret sat up overnight nursing the tiny creature back to health, before giving it to one of her sons as a special gift. All creatures seemed to respond to her gentle touch, instinctively knowing they were dealing with a tender soul who only wanted to help. Margaret's caring was not reserved for people she knew. Even as she struggled with her own health in her later years, she volunteered to visit other seniors who were confined to their homes by physical problems. Margaret also had a spirited side to her personality. To the end of her life, she attended Reeths-Puffer High School football games, cheering on her beloved Rockets in all kinds of weather. She also rooted passionately for the Detroit Red Wings, Detroit Tigers and Republican Party. Even as she lay in pain during her final days in the hospital, she talked enthusiastically about Red Wings games that were coming up on television. Margaret was also blessed with a green thumb. Many of the huge trees that shade her yard today began as tiny twigs in the back field that she transplanted and nurtured to maturity. While her body was weathered and beaten by years of bad health, her spirit remained young and untamed. She faced difficulty and disease with courage and determination, much to the amazement of everyone. She did not go quietly into that dark night. She truly raged against the dying of the light, grasping for every last minute of enjoyment she could possibly get from life. Margaret's death leaves a huge hole in the lives of those who loved her. But those who loved her are better people because of the caring she invested in them. She wouldn't want us to be sad about her death. She would want us to be happy, because our happiness was always the key to her happiness. Margaret was a member of Unity United Methodist Church. SURVIVORS She is survived by her brothers, Clarence and Robert Herbert; sons, Danny Gunn, Donald Gunn, Gregory (Sandra) Gunn and Steven Gunn; daughters, Diane Klug and Kathy Kroll; seven grandchildren; five great-grandchildren and special daughter Cyndi Shultz. Marguerite Spence Gunn
Marguerite Spence Gunn - "Music Was Her Name" - Our beloved Peggy, of Austin, Texas, passed away peacefully on January 18, 2015, after a lengthy illness. She was born 2 April, 1943 to Harry Buddig Spence and Florence Glass Davis, the second oldest sibling of five children. She was born in Jackson, Mississippi, and spent her early years in Uniontown, Alabama and Atlanta, Georgia. She attended Grady High School in Atlanta and was a 1965 graduate of Goucher College in Towson, Maryland. It was in Maryland that, on a blind date, she met her future husband, William T. Gunn III at his June Week graduation ceremonies of the U.S. Naval Academy in 1963. Peggy and the love of her life, Bill, married upon her graduation from college and she spent her early married years traveling to various Naval ports as a Navy wife. While her husband awaited the repair of his ship in the Philadelphia Shipyard, she had the joy of bringing her first daughter, Christina French into the world. She enjoyed living in such varied places as Philadelphia, San Juan, Puerto Rico and Virginia Beach, Virginia. Whatever port of call, Peggy created a home that was always welcoming, unique and creative. She also worked as a journalist for the Virginia Beach newspaper and taught college classes as well. After Bill's resignation from the US Navy, they moved to Dallas where Bill pursued his MBA at SMU. It was in Dallas that their second joy, Carey Spence was born. After graduation from SMU, Bill was hired by the Trammell Crow Co. Peggy and Bill moved to Austin in 1970 so Bill could pursue the expanding real estate interests of the Trammell Crow Co. Peggy immediately became involved in so many ways in the Austin community through charitable and other volunteer pursuits, including early interests in the League of Women Voters and the Institute of Texan Cultures in San Antonio. Peggy pursued her dreams and her passions and inspired others to do the same. She instilled the value of a good education and a love of the arts, especially music, in her children and many others along the way. Peggy loved gardening, cooking, laughter and her family. She and Bill both shared a passion for good literature and there were always conversations about whatever good books they were reading. Peggy was a woman of deep faith and was an active member of St. David's Episcopal Church. Peggy's great love of music inspired her to become actively involved in the Symphony Square Committee and she joined the Women's Symphony League in Austin, through which she was exceptionally proud of both her daughters' presentation at the annual Jewel Ball benefiting the Austin Symphony. Peggy later served on the Board of Directors for the Austin Symphony for many years. Her love of education inspired her to serve for years on the Board of Trustees for her alma mater, Goucher College. Peggy and Bill were also ardent supporters of St. Stephen's Episcopal School, where the middle school is now named Gunn Hall in recognition of their
contributions and support. Her love of the arts and further involvement in the arts community inspired her to become involved in the realization of Austin's creative home, the Long Center, where Bill and Peggy are both acknowledged for their contributions to its construction. The last 25 years of Peggy's life revolved around her work as the Development Director for the Austin Symphony Orchestra. Whether it was to raise funds for an extraordinary concert series, to provide classical educational programs for over 90,000 Central Texas school children or to sponsor the Annual 4th of July Fireworks and Concert at Auditorium Shores, Peggy will be remembered for her tireless devotion to raising awareness for and helping to fund the mission of the Austin Symphony Orchestra throughout the Austin community. Peggy is preceded in death by her parents and sister, Mae Mallory Krulak. She is survived by her husband, Bill, her daughter, Ceecey and husband, George E. Robinson III, and their two sons, Bremond and Reed. She is also survived by her daughter, Carey and husband, Eric Venditti and their daughter, Eleanor. She is also survived by her brother, Harry Buddig Spence Jr. and his wife, Martha of Goodland, FL; sister, Christina Spence of Oakland, CA; and sister, Sally and husband, Lee Engler of Raleigh, NC. Peggy was a loving and caring wife, mother, grandmother, sister, aunt, friend and mentor. Her memories will be cherished by her husband, children and grandchildren, her sisters and brother, cousins, nieces and nephews and her many friends. She will be missed so very much. Peggy's family wishes to thank everyone who gave her companionship, love and joy throughout her life. Special thanks to her doctors, caregivers, dear friends and extended family for the loving care, nourishment, good humor, and encouragement throughout her illness. Funeral services will be held on Saturday, January 24, 2015 at 2:00 p.m. at St. David's Episcopal Church with a reception immediately following in St. David's Grand Hall.

Marion Elizabeth Gunn
Marion Elizabeth, born October 2, 1917, to James and Marian Gunn, completed her earthly journey October 28, 2009. Her 92 years on the earth were marked with tremendous achievement. She earned a masters degree from the University of South Florida and taught in Hillsborough County Schools for over 30 years. She influenced and inspired all of her students, but undoubtedly impacted the entire program when she taught a former Hillsborough County School Superintendent in elementary school. She possessed such a compelling smile that could only be fashioned from a joyful soul. Her "true grit nature" and "no nonsense approach" to life personified strength and vitality. In 92 years, she had not become a relic, but rather a classic, the kind of rarity that makes one stop in awe and say "they don’t make ‘em like that anymore." She never complained of life’s injustices, but she was a constant encouragement. She possessed an impeccable memory for which she used to memorize and quote scripture. "She was without a doubt, one of the Godliest people. Her life was a masterpiece of virtue that will serve as an inspiration to all those knew and loved her." Services will take place at 11 a.m. Monday, November 2, 2009, at the Sun City Funeral Home. Source: Tampa Tribune (FL) : October 31, 2009.

She and her two older brothers, Jack and Charles Kerwin grew up in Oakland, attending Our Lady of Lourdes Grammar School and Oakland High School. In 1940 she married Robert Viggo Gunn and made her home in the Bay Area, raising two daughters, Sister Sally Gunn and Sue Ewald. In 1966 Mary and Bob moved to Reno. After Bob’s death, Mary finally realized her dream of travel and adventure and spent the next few years with friends and family, going wherever her spirit moved her - from Branson, Missouri to England and Scotland, with many places in between. Mary moved to Minden Nevada in 2001 to live with her daughter Sue and her son-in-law Hans who have lovingly cared for Mom ever since. While in Minden she became active in St. Gall Catholic Church and the Douglas County Senior Center. Mom’s friendliness and positive spirit touched many lives. Mary Peel Gunn

Mrs. M P Gunn died here at the residence of her son-in-law Mr. J H Baskin, last Friday (2-23-1917) The immediate cause of her death was paralysis. She was nearly 75 years old, and kept in pretty good health through a long and eventful life. She was married to Dr. Wm. Gunn over 50 years ago, he having preceded her to the grave about ten years. She had two children, Mrs. J H Baskin and Mrs. W F Buchanan. Her chief attraction through a long and useful life was her noble charity to the poor. She was always hunting up something to do for those in need. This is another of the old land marks gone - dating back through the sterring events of The Civil War and its exciting events. Her remains were laid to rest at the Old Gun cemetery near Egypt, by the side of her sainted husband. Rev. A L O'Briant, past of the Baptist Church, officiated at the funeral Okolona Messanger dated March 1, 1917

Martha Jane Johnson Gunn
died on the 12th of January 1863 in the town of Manchester, Virginia, Mrs. Martha Jane Gunn in her twenty-fourth year, consort of J. Freeman Gunn and daughter of Josiah Johnson of Nottoway County, Virginia. The deceased leaves behind a kind and affectionate husband with whom she has lived so happily for seven years; one little daughter too young to appreciate the loss she has sustained; also a devoted father, brothers, and sisters, and many friends to share their irreparable loss. A little more than two years ago Mr. & Mrs. Gunn moved from Nottoway County to Manchester and engaged in business that enabled them to do well and would have succeeded in their plan to rear and educate children had it pleased Providence to spare them. Man may plan but God frustrates. In the fall of 1862 they were called on to follow the remains of one of their little ones to its grandfather’s and so consigned it to its final resting place. Shortly after Christmas she was stricken with small pox and destined with no return. Then their sprightly little boy was stricken with that most loathsome malady, around whose couch father toiled and did all that paternal affection could prompt to no avail. Thus is a very brief period this little family have been and summoned off from the cares and troubles of this unfriendly world. Mrs. Gunn made a profession of religion some four years ago and united herself to the Baptist church and we have little doubt her exit is from doom to glory. Mary K Gunn
March 9, 1919 - February 4, 2014 - On February 4, 2014, the halls of heaven were brightened as Mary Kerwin Gunn entered its realms. Beloved mother, grandmother, great-grandmother and friend to many, Mary was born in San Jose, CA on March 9, 1919 to Joseph and Irene Quilty Kerwin. She and her two older brothers, Jack and Charles Kerwin grew up in Oakland, attending Our Lady of Lourdes Grammar School and Oakland High School. In 1940 she married Robert Viggo Gunn and made her home in the Bay Area, raising two daughters, Sister Sally Gunn and Sue Ewald. In 1966 Mary and Bob moved to Reno. There she joined the Little Flower Church and not only became a member of the choir, but recruited her grandchildren to help her create a 'Casino Night' as an annual fundraiser for the Church. She also joined the Women's Boutique at Our Lady of Snows during this time. Later they moved to Sparks where she attended Holy Cross Church and became an active participant in their RCIA program. After Bob's death, Mary finally realized her dream of travel and adventure and spent the next few years with friends and family, going wherever her spirit moved her - from Branson, Missouri to England and Scotland, with many places in between. Mary moved to Minden Nevada in 2001 to live with her daughter Sue and her son-in-law Hans who have lovingly cared for Mom ever since. While in Minden she became active in St. Gall Catholic Church and the Douglas County Senior Center. Mom's friendliness and positive spirit touched many lives. She loved gathering with friends and most of all, loved her family. She made frequent trips to the convents where Sally lived and kept up with many of the Sisters of the Holy Names. Her love of music and her beautiful voice, filled our lives with many magical moments. She will live forever in our hearts and mind, and will be greatly missed by her daughters, her grandchildren, George Tolon, Stephanie and Ken Burger, Jenny Holaday, Carmen Ewald and Monique Anderson, and by her great-grandchildren Megan, JP, Jessica, Makenzie, Mary Scout, Jake, Joel, Cody, Tony, Brandon, and Chynna. She is reunited with her husband Bob, her great-grandson Landon, her brother Jack, her brother Chuck and sister-in-law Ruth, her father, and at long last, her Mother, Mimi. She has inspired us all by her unwavering faith and her
unconditional love. What a blessing we all have had by her presence in our lives. Patricia Maud (Gunn) Lambert

November 13, 1933 - February 2, 2015 Pat passed away peacefully at her daughter's home on February
Pat was born on November 13, 1933 in Grand Rapids, MI to her parents, William Earl & Cecile (Mohun) Gunn, and had an older brother, Bill Gunn. As a young girl, Pat's family moved to Pasadena, CA, and later moved closer to her extended family in San Francisco, CA. She attended high school at the Convent of Sacred Heart in San Francisco where she met her former husband, Thomas M. Lambert. Pat had a wonderful career that included working at Canadian Pacific Airlines in Honolulu, Hawaii in the early 60's, and then a treatment counselor, an actress, and before retiring enjoyed a part time job at an assisted living center in Boise, ID. At the age of 50, when Pat took up acting, which started out as a hobby at The Boise Little Theater, just a few years later she was accepted to the American Dramatic Academy of Arts school in New York City. Acting became an exciting and rewarding career that took Pat all over Europe, performing plays in almost every country with the American Drama Group. In between performances, Pat also enjoyed a seasonal job as a Christmas elf at Macy's Department store in New York City, and working in soap opera TV shows. At Macy's, she was the oldest elf out of them all, but had the energy and enthusiasm that the younger elves couldn't sustain. Pat always had a complete and knowing faith in her higher power, God, and that if she trusted him with her life, she would always be taken care of. And so it was. Pat shared her beliefs and faith with her family and friends; her words of wisdom and beautiful smile touched so many. When speaking to others, Pat was able to make one know they were the most important, and only person in the room. For at least 40 years, Pat mentored many women, and honored each of them in their own paths, and always celebrated their successes. Pat will be so missed by so many that adored her. Pat's family loved her beyond the moon and back, Michael M. Lambert (deceased), Thomas (Todd) G. Lambert, Sandra A. Lambert, and David Lambert (deceased), Todd's wife, Warlita, and granddaughter, Jessica Lambert. In lieu of flowers, the family request that the love, time and attention Pat had for all she knew be paid forward to others. Donations can be made to The Boise Rescue Mission, or the Pancreatic Cancer Action Network, www.pancan.org. Memorial Services to be held at First Congregational United Church of Christ 2201 Woodlawn Ave., Boise, ID February 21, 2015 @ 11:00 AM, reception to follow.

So many things remind us of her – a line of poetry, the refrain of an old rock n’ roll song, the intricate pattern of an heirloom quilt. Sherry will always be alive in the world around us, in the unexpected remembrances we find in the simplest things. But most of all, Sherry will live on in our hearts. As our wife, our mother, our daughter, our sister, our friend. There was never a kinder soul and we find it hard to believe we will ever meet her equal in her capacity for joy, compassion, and deep love. It’s our job now to find a way to go on without her, and to live our lives by her most excellent example.

Tristian Lane Gunn
Stonewall, LA - Tristian Lane Gunn was born on March 7, 1999 and passed away on September 20, 2015 as the result of an automobile accident. He was currently a student at Linden-Kildare High School and a former student at North DeSoto High School. Tristian lived his life in this world in much the same way he came into it: In a rush and raising hell. His time here was short but his impact will be everlasting. Tristian had a love for hunting, fishing, the rodeo and girls, but football was his passion. He was many things to many people - son, brother, grandson, nephew, cousin, boyfriend, defender and truest of friends. His love and his loyalty were unconditional and limitless. Tristian had a loose tongue that he didn't often bite and a heart bigger than the cowboy hats that he held so dear. Though he did not get the chance to father dozens of children (as his parents feared would happen), he did leave behind a legacy of memories. Left to cherish those memories are Tristian's parents Brian and Amy Gunn; brother Evan Kelleher; grandfather Starkey Gunn and wife Ada; grandmother Brenda Langston and husband James; uncles and aunts Sonny and Robin Phillips, Nick and Amanda Lane, & Chuck and Sandy Gouthiere; his 5-month old puppy Beaux; and a horde of cousins and close friends. Among the angels in Heaven waiting to reunite with Tristian were his beloved maternal grandparents, Charles and Linda Gouthiere (Pap and Granny). Tristian was always the life of the party. Though our world is less without him in it, Heaven just got a little louder. Pallbearers will be Justin Gouthiere, Logan Gouthiere, Morgan Free, Austin Sharpley, Logan Ates, Nick Ainsworth, Cameron Allison and Chanler Lee. Honorary pallbearers will be Bubba Hanson, Randall Vaughn, Billy Ainsworth, Christopher Haley, Cody Tolleson, Phillip Cox, Joseph Boney, Brandon Fant, and John Haley. The family will receive visitors from 4 p.m. to 8 p.m. on Sunday, September 27, 2015 at Rose-Neath's Southside Chapel. Funeral services will be held at 2 p.m. on Monday, September 28, 2015 at Salem Baptist Church in Stonewall. Interment will follow at Forest Park West Cemetery.

Virginia Boggs Gunn

Virginia Boggs Gunn died peacefully in the early morning hours on Wednesday, Aug. 19, 2015, in her room at the Kutz Home in Wilmington at the age of 94. Virginia was born on August 6, 1921, in Woodstock, N.Y., the youngest of four children born to The Rev. Norman Towar Boggs and Ethel Fitzhugh Boggs. From the age of 18 months until she was about 12 years old, Virginia lived in France with her family. Learning to speak French even as she learned English, she grew up bilingual, with a love for the history and culture of her adopted land. She returned to Woodstock at the age of 12 with her mother and siblings after her father's death. There she attended Kingston High School. Virginia attended Swarthmore College in Swarthmore, Pa., majoring in French. Upon graduating in 1942, she went to work first in Washington, D.C., and later in London, England, for the U.S. government during the Second World War. She was later assigned to France, where she met Harold Dale Gunn, a native of Dallas, Texas. They were married on March 25, 1946, in London. In the years following their marriage, the couple lived in London, where Harold began graduate studies; in Dallas, where their first daughter was born; and in London again, where Harold completed his graduate degree in Anthropology. After the birth of their second daughter in London, the Gunn family spent 18 months in Nigeria, where Harold conducted research for monographs about several Nigerian ethnic groups. The family returned to the United States when Harold joined the faculty of the University of Connecticut in Storrs, where their son was born. After three years in Philadelphia in the late 1950s, the family moved to Southeastern Pennsylvania when Harold joined the faculty of Lincoln University in 1960. Virginia earned a Master of Education degree in French in Connecticut in the early 1950s and later taught French at the Friends Select School in Philadelphia. At Lincoln, she was hired as Counselor to Women Students and also taught English to African students attending Lincoln. She subsequently taught Spanish for two years at Octorara High School and did volunteer work with migrant agricultural families living in the area. In 1965 Virginia joined the Lincoln Faculty as a part-time instructor in French while beginning her work toward a Ph.D. in French Literature at Bryn Mawr College. Awarded the degree in 1974, she continued teaching at Lincoln until 1979. She then spent two years teaching GED students at Cecil County (Md.) Community College. Beginning in 1982, she taught high school French at
the Lancaster Country Day School in Lancaster, Pa., retiring in 1986. In 1974, Virginia and Harold moved from the Lincoln University campus to a home in Nottingham, Pa., which they nicknamed "Robin Hood's Barn" – a favorite expression of Virginia's. About four years after Harold died in 1989, Virginia moved from Robin Hood's Barn to Kennett Square, Pa., where she lived independently for about a decade before moving, in 2005, to The Friends Home there. In 2013, she moved to the Kutz Home in Wilmington. Virginia was a deeply spiritual person, her faith rooted in both the Quaker and the Episcopal traditions. She was particularly proud of her work with the League of Women Voters, one of her many volunteer activities. She and Harold shared a commitment to diversity, inclusion, and the common good, values that for Virginia were embedded in her faith. Central to her Christian faith as well was her affirmation of religious pluralism, and she supported her children's diverse spiritual paths, honoring their individual traditions when drawing up instructions several years before her death for her memorial service. Virginia is survived by her three children: Joan G. (the late Edward) Broadfield, Susan G. (Marc) Pevar, and H. Erik (Judi) Gunn, as well as by six grandchildren: Lara Broadfield, Jonathan Broadfield, Jeremy (Leah) Pevar, Noah Pevar, Aaron Gunn (fiancée Nancy Ma), and Matthew Gunn. She is also survived by her former daughter-in-law, Dr. Bonnie L. Wirfs. She was preceded in death by her husband, Harold; by her son-in-law, Edward Broadfield; and by her grandson Daniel Pevar. Also preceding her in death were her brothers and sister: Norman Towar Boggs, Fitzhugh Boggs, and Mary Boggs. In keeping with her wishes, Virginia's body was donated to be used by medical students in their studies of human anatomy through the Pennsylvania Humane Donations Registry. A memorial service will be held on Sunday, August 30, 2015, at 1 p.m. at the Episcopal Church of the Advent, 401 N Union St. Kennett Square, PA 19348. Interment will be held privately. Donations in her memory may be made to Swarthmore College, 500 College Ave, Swarthmore, PA 19081; the League of Women Voters, 1730 M Street NW, Suite 1000, Washington, DC 20036-4508; or The Nature Conservancy, 4245 North Fairfax Drive, Suite 100 Arrlington, VA 22203-1606. Mass of Christian Burial will be celebrated on Wednesday at 9am from St. Anthony of Padua RC Church corner of Bridge Ave Chestnut St Red Bank NJ. Memorial donations be made in his memory to The Foodbank of Monmouth Ocean Counties 3300 Rt. 66 Neptune NJ 07753 - Our Dad, Walter Gunn, finally wore out his shoes. Though determined to set longevity records and continue to inspire other seniors, his journey here ended at age 98 at Brighton Gardens, Middletown. With our blessings and Godspeed, Dad joined our Mom and began his new journey into eternal life on November 21, 2015. Born in New York, NY to Joseph and Anna Gunn, Walter had two siblings, Joe and Florence. Dad's family loved to vacation at the Jersey shore, and rented a bungalow in Deal. Dad spent many happy summers swimming in the surf in Long Branch, and working as a caddy at Deal Golf and Country Club. He loved to revisit these locations over the years with his grandchildren and tell them stories of his childhood. A proud veteran of WWII, he served in the air force. He was chief flight engineer on the B-25 Mitchell medium bomber. He was assigned to the air force unit that flew planes for the Fort Monmouth Camp Evans scientists, who were on the forefront of developing radar later used by all the armed forces. When he returned from service, he graduated from Pace University with a BA in business. He loved to vacation in the Catskills, and it was at Eddie's Farm that he met his 'beautiful bride' of almost 60 years, Theresa Helen Conroy, who predeceased him in June 2012. After initially living in Manhattan, in 1956 he moved his growing family to Middletown. He commuted to Western Electric in downtown Manhattan where he worked as an accountant for over 43 years. When he wasn't busy with parenting his nine children, one of Dad's passions was gardening. His Jersey tomatoes and blueberries were the most delicious around, thanks to his secret composting formula. He also enjoyed fishing on the party boats that set out from Atlantic Highlands and Belmar with his brother Joe and brother-in-law Martin Maher. He loved getting together with Martin and his sister Florence ("Sis"), and the extended Maher family, and mom's sister Nancy (Vincent) Burns family and their 5 boys. He also cherished spending the holidays with the family, listening to his favorite Mitch Miller Christmas music and hearing about his brother-in-law Tom Conroy's expeditions around the world. Dad was generous with his time. In addition to coaching our baseball teams, he was a member of the Telephone Pioneers of America, a past president of the Broadway Toastmasters Club, served as volunteer in the tax program at the Middletown library and treasurer of the St. James CCD. He was also an active communicant of Saint Anthony of Padua
Church where he served in a number of volunteer roles. In 1996, our Dad underwent a successful open heart surgery operation, which set him and our Mom off on a new life's mission to live healthier. He enjoyed a new focus, looking for alternatives for better nutrition as well as increased exercise. Dad and Mom enjoyed an active retirement. They loved dancing, traveling, theatre, yoga and fitness classes, but most of all they cherished time spent with their family. Predeceased by his parents, siblings, and wife, Walter is survived by his six daughters, Marie (Alan) Kappler, Theresa (Rick) Brooke, Geri (Harold) Hertig, Phyllis (Bob) Wszolék, Jen (Richard Macko) Gunn and Eileen (Rich) O'Malley; and three sons, Joe Gunn, Tom Gunn and Steve (Angela) Gunn. He was affectionately called "Poppy" or "Pop Pop" by his 11 grandchildren; Jacqui and Matt Kappler, Jesse (Alissa), Nick and Darby Brooke, Brian Hertig, Vincent and Patrick Gunn, and Sean, Brendan and Shannon O'Malley. He also has two great-grandchildren, Alder and Tavish Brooke. He is also survived by his sister-in-law Nancy Burns and her five sons and their families and his brother-in-law Thomas Conroy. Dad was an animal lover all his life and leaves behind his treasured cat Yaeger who will be lovingly cared for by family. Rest in peace Dad, we all love you very much, you have left us a remarkable legacy. The family would like to extend a warm thank you to the staff of Brighton Gardens who were so kind and compassionate in Dad's final days. Visitation will be celebrated on Tuesday from 4-7 PM, at The Thompson Memorial Home, 310 Broad St, Red Bank. Mass of Christian Burial will be celebrated on Wednesday at 9am from St. Anthony of Padua RC Church, corner of Bridge Ave & Chestnut St, Red Bank NJ.

Walter H. Gunn

The world of aviation has lost one of its most enthusiastic proponents. Walter, son of Eva and Clarence Gunn, was born June 10, 1921. He left his family and this earth in the evening hours of September 15, 2006. Walt had two careers, excelling in both. As a TWA Pilot for 39 years, he flew almost every aircraft TWA had in service, from the Douglas DC-3 to the Boeing 747. He spent the last fifteen years of his career with TWA as an international pilot. Walt logged over 28,000 flying hours with more than 1,000 ocean crossings. He was known and respected by many all over the world as a result of his many travels. His second career began during the height of his first. Walt pursued studies in clinical psychology with a focused interest on human factors in aviation. He spent many hours at the University of Kansas Medical Center teaching seminars helping people overcome their fear of flying. As Assistant Clinical Professor of Psychology in the Department of Psychiatry, he was also deeply involved in research centered on state dependent learning. He received his Ph.D. in psychology 6 months after his retirement from TWA in 1981. As a Professor at Central Missouri State University in Warrensburg, Missouri, he taught "Human Factors in Flight Management" where he inspired many students to enter the Airline Industry, and helped many orchestrate their careers. A generous man, Walt later donated his beloved Porterfield aircraft to CMSU, the very aircraft he flew to earn his license. The author of three books, he partially documented his extensive knowledge of the Aviation Industry. Walt was a member of The Quiet Birdmen, The Greater Kansas City Psychological Association, TWA Active Retired Pilots Association, and The Central Missouri State University President's Club. He was an Eagle Scout and a member of the Tribe of Mic-O-Say. Farming was his favorite of many hobbies. He was an active member of the Airline History Museum at the Downtown Airport in Kansas City. He spent much of his spare time working on the restoration of the Museum's Douglas DC-3. William Gunn

The long illness of William Gunn ended in his painless death at 4 am yesterday October 28, 1879. He was a native of Springfield, Mass, one of the two sons of Elisha Gunn, who will be remembered by old citizens as a merchant on the Hill at the corner of State and Walnut streets. William went to Hartford when a young man and learned the business of storekeeping and trading in the large and well known A. H. Pometrox and Co. Returning to this city in 1845, he joined E. D. Chapin in the purchase of the grocery, drug and miscellaneous business left by Theodore Bliss at his death, which was carried on in the Edwards building on Main Street adjoining what is now the old savings bank block. Mr. Gunn became associated with his brother Elisha. The business stand remained on Main Street until 1851, when the firm known as William Gunn and Company put up a building for themselves..........Mt. Gunn was a man of good business ability and accumulated a large fortune................The malady which has now ended in his death began to show itself five years ago in a slight shock of paralysis. Since that time he has been an almost constant invalid, but has borne his trials and sufferings with the greatest patience and good nature, surprising those with whom he came in contact by his pleasant greeting and bright speeches. The funeral will take place Thursday afternoon and the Peabody guard of whom he was an honorary member vote to attend the body. The family of William (Bill) Gunn announces with sadness his passing on May 2, 2014, at Scarborough General Hospital in his 86th year. We watched with heavy hearts as his health deteriorated during his final years and as he fought unceasingly for his dignity and independence. He is now finally at peace. Bill had a deep love and respect for nature and its creatures and spent many enjoyable years as a Volunteer Hike Leader and Backup Man on the Bruce Trail. It was there that he met his wife, Margareth and together they shared many happy hiking adventures with friends. Bill hiked the entire Bruce Trail twice. He hiked in Austria, Iceland/Greenland and in the Yellow Mountains of China. He also visited the Arctic four times. Visitation will be held at the SHERRIN FUNERAL HOME, 873 Kingston Road, Toronto on Tuesday, May 6th from 5:00 - 8:00 p.m. As was Bill's wish, no service has been planned. In lieu of flowers, anyone wishing to honour his life may consider making a donation to the Bruce Trail Conservancy. -

William “Bill” Chester Gunn,

84, died May 7, 2014, in Scottsdale, Ariz. A former creative director for a Chicago advertising agency and resident of Wheaton, Ill., he was a long-time summer resident of Pentwater. He and his first wife, Barbara “Barb” Weinard, and their five children, Jeffrey, Matthew, Susan, Sarah and Hayes began renting the “Tweedy” cottage in 1964, when Pentwater still had its own movie theater, commercial fishermen and fresh trout restaurants like the Driftwood Inn. After a decade of four-week stays, he and Barb built their own cottage in Garrison Park in 1974, on a bluff overlooking the great lake, where the family resided throughout the summers. Bill was born Sept. 16, 1929, and was raised in Oak Park, Ill. He attended IIT’s Institute of Design, graduating in 1952. He studied design, photography and graphic art under Buckminster Fuller, Aaron Siskind and Emerson Woelffer. He began painting, and from 1950 to 1952 he exhibited his abstract expressionistic works frequently, including at the Art Institute of Chicago and the Los Angeles Art Institute in La Brea. In 1952, Bill was drafted into the army, where he served in the White House decoding encrypted messages. His first wife, also of Oak Park, Ill., worked in the Pentagon as a secretary. Having married a year earlier, it was during this time that they began their family. Following an honorable discharge from the army, Bill began work in the advertising field. He was hired as an art director by Leo Burnett Co. in 1959 and later became a creative director, the first to be promoted in Chicago for what was then considered a writer’s position. He became a vice president of the agency in 1973. He was involved in many iconic ad campaigns, including Phillip Morris’ “Marlboro Man,” Jos. Schlitz Brewing Co.’s “you only go around once in life, so grab for all the gusto you can get,” and United Airline’s “fly the friendly skies of United.” In 1985, Barb died at home in St. Charles, Ill., and was buried in the Pentwater Cemetery, along with their sixth child, Ross, who died following birth in 1958 and was re-interred. In 1988, Bill met Elizabeth “Betsy” Long of St. Charles, Ill., a critical-care nurse, married her, and in 1990, having retired, moved with her to Scottsdale, Ariz. But they returned to the family cottage every year to spend the summer and early fall in Pentwater. During his long retirement, Bill was involved in several volunteer organizations, for which he often wrote advertising campaigns pro bono. He also returned to painting, creating scores of works. Bill is survived by his wife, Betsy; his five children, 11 grandchildren and 10 great-grandchildren; and his sister, Nadine Fisher. A private memorial service is scheduled in Pentwater June 21. Regards will be gratefully received by his wife at 7328 E. Rockview Rd., Scottsdale, AZ 85266. Contributions may be made in Bill’s memory to Hospice of the Valley, 1510 E. Flower St., Phoenix, AZ, 85014. Bill loved Pentwater and its people and the great lake, which he swam every day he was there. As Betsy has had inscribed on his cross, he is even now taking “a wonderful swim, to where Lake Michigan meets Heaven” – which, presumably, is not far off Pentwater’s shore. (Jasper Gunn descendant)

William Lawson Gunn,

Bill, age 92 years and nine months, passed away at his home Sept. 5, 2015. He passed peacefully and gently with his sons, Scott and John, and his daughter-in-law and special caregiver, Jeanette by his side, just as he wished, in his home in Longview. private inurnment service and celebration of life will take place in November for family. Steele Chapel at Longview Memorial Park is in charge of arrangements. Bill was the third child born to John Talmadge Gunn and Alice C. (SeaBelle) Fluker-Gunn. He was born in Meridian, Miss., Dec. 14, 1922, the baby of the family with two older sisters. The family left Meridian when Bill was about 3, traveling by train to Washington. An employment opportunity for his Dad brought the family west. The family settled in Ryderwood and then built their permanent home in Longview on 19th Ave. Alice, Bill's mother, lived in the home until she was 98 years old. A nephew purchased the house and lives there still with his family. Bill's younger brother, Jack; and sister, Patty were born in Longview, so five children were raised in the house on 19th Ave. Growing up in Longview, which was a new town, was an adventure for Bill and his brother. There was much to explore and territory to discover, and it seemed everyone was acquainted and watched out for one another. The boys built a sailboat and launched it in the Columbia River, often sailing to Rabbit Island to camp, hunt and fish, oftentimes for weeks. The family also loved the ocean, and spent time at Long Beach Peninsula and Hood's Canal, clamming, harvesting shellfish and enjoying time with family. Bill attended Kessler Elementary and then R.A. Long High School, graduating in 1941. He stayed in touch with many classmates and attended the class reunions and get-togethers. He had numerous jobs while in school and was able to purchase his first vehicle, a shiny Ford convertible. His love of the ocean and the beginning of World War II inspired Bill to join the Merchant Marines shortly after graduation. He shipped out of Seattle on his first deployment headed for the South Pacific. During his service he visited many ports on the East and West Coasts, as well as Alaska. He crossed the Equator numerous times and the islands he mentioned his ships visited the most were Pago Pago and Bora Bora. While home on leave in May of 1944, Bill met Rita Jean Burress from Nebraska. She was visiting her aunt and sisters who lived in Longview. Bill and Rita fell in love and had a short courtship. They were married in August and honeymooned in San Francisco, taking the train there so Bill could report for duty assignment, again shipping out to the South Pacific. After the war ended the newlyweds settled in Longview. Bill was hired by the Longview Police Department and trained as an officer. Chief Bailey promoted him to sergeant at the age of 25. He was the youngest officer to be promoted by the department for the rank. Bill enjoyed his career and cared about public safety, but after his daughter and son were born he returned to civilian employment. Bill sold vehicles for many years with several Longview dealerships, his first being Thornley, where he was promoted to general manager. Bill knew just about everyone in town and had the gift of gab. He was successful at selling and enjoyed driving the demos. His hobby was buying and restoring antique cars. A Model T was his favorite, but many other vehicles caught his eye and required he pull out his wallet. After leaving the car business he worked as an investigator for the prosecuting attorney which lead to Bill's dream career. He became the state investigator for the Washington State Patrol and the Department of Motor Vehicles, enjoying the detailed detective work. As Bill enjoyed his career, his children were growing. The family loved boating and had two cabin cruisers. Most weekends they would be on the river, exploring the islands with family and friends. Yearly car trips to California were a fun adventure and visiting Disneyland the first month it opened was a highlight for the kids. The family also enjoyed many adventures to the Washington and Oregon coasts, Hood Canal and British Columbia by car and boat. Bill retired in 1985. His beloved wife, Rita had passed away in 1982 and Bill was fortunate to find a lovely friend and companion, Sharon Goodner. They were together for 25 years until her passing in 2008. The couple had a sailboat which they enjoyed sailing on the lakes of Merwin and Yale, and they traveled often to Utah, Arizona, Nevada and to the coast. Bill continued to collect and restore vehicles and was
active in Rotary, the Elks, and chapters of the Merchant Marine. Bill is survived by three children, Carol Inukai of Ridgefield, Scott Gunn (Jeanette) of Longview and John Gunn of Kirkland, Wash.; five grandchildren, Mikal Donnelly (Tom) of Seattle, Christine Gunn of Olympia, Eric Losness of Wilsonville, Ore., Kirstin Greig (John) of Sammamish, Wash., and Scott Coleman (Christina) of Gatesville, Texas; eight great-grandchildren; two sisters, Patty Simerly of Longview and Kathryn Humphries of San Diego, Calif.; and four nephews, Bob Burns and Tim, Mitch and Chris Cooper. He was preceded in death by his parents; his wife, Rita; a sister, Elsie; a brother, Jack; his companion, Sharon; and a son-in-law, Dick Inukai. We miss you Dad. Thank you for your wonderful presence in our lives and all we learned from you. You deserve to rest now. You will always be with us."
